Quotes:

"Aligning Big Horse with the Children's Advocacy Center is a natural fit. Big Horse Club and Stables are very family-oriented, and our children's camps and day programs are geared toward uplifting young people. Our staff worked hard to make the Big Horse Country Christmas event successful, and we hope the money raised will help the Center." – Ryker Carter

"Jekyll Island enjoys a great partnership with Qantum Communications, and joining the Holiday Hope promotion helped us celebrate the Christmas season while helping families in need." – Beth Burnsed, Event Marketing Coordinator, Jekyll Island Authority.

"With the help of Sunny 103, along with Big Horse and Jekyll Island, we were able to help over 300 families this past

Christmas. Even in these tough economic times, this community continues to be so gracious in supporting our charity.”
– Nora Morris

“Support for the Holiday Hope promotion was amazing, from the very first radio remote we began to receive such generous support. And to have the Country Christmas at Big Horse event raise an additional \$2,000 is fantastic. I can't wait for next year!” – Jonathan Havens, General Manager
