

EV Charging Station RFP #384

Pre-Bid Conference

Address: 80 Shell Road Jekyll Island, GA 31527

Date: October 9, 2025

Hosted by: Jekyll Island State Park Authority

Contact: Courtney O'Neal, Operations Specialist

Oceaview Beach Park

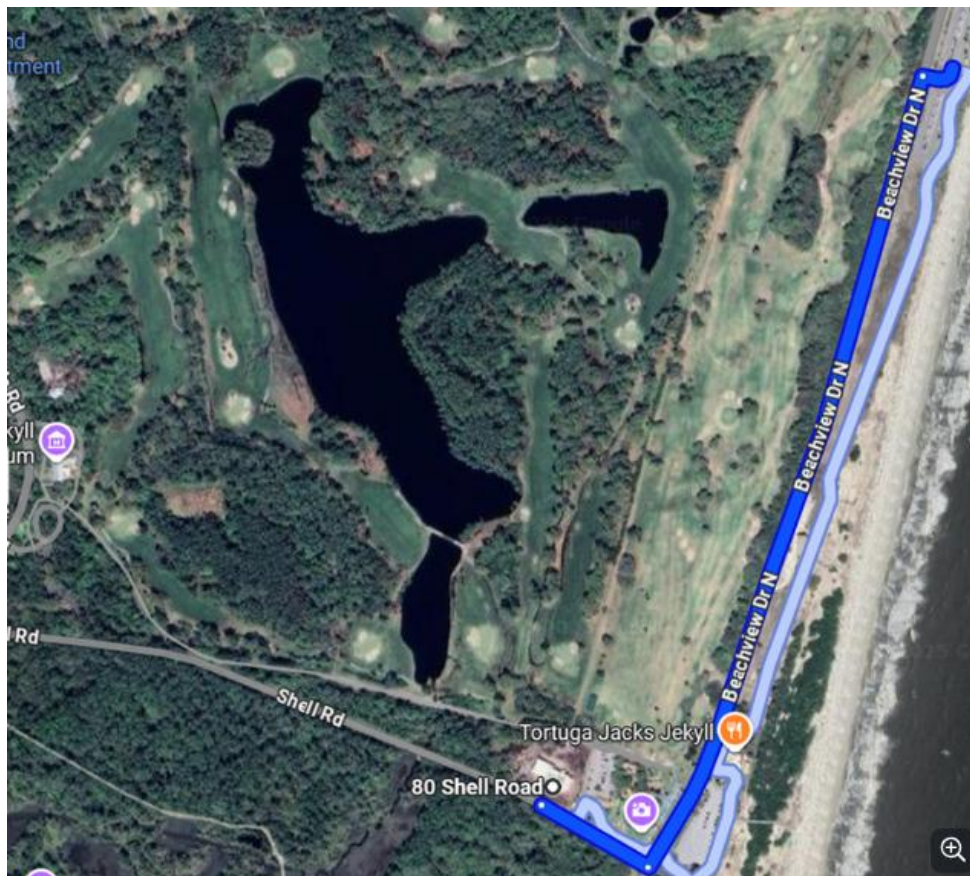

Coordinates: 31.06368089242092, -81.4047619454091

Current Equipment:

- 2 Tesla Chargers – 50 amps, 120/240V “shared”
- 2 ClipperCreek Chargers – 40 amps, 120/240V

Notes:

Requires new 200-amp service and replacement chargers.

Beach Village

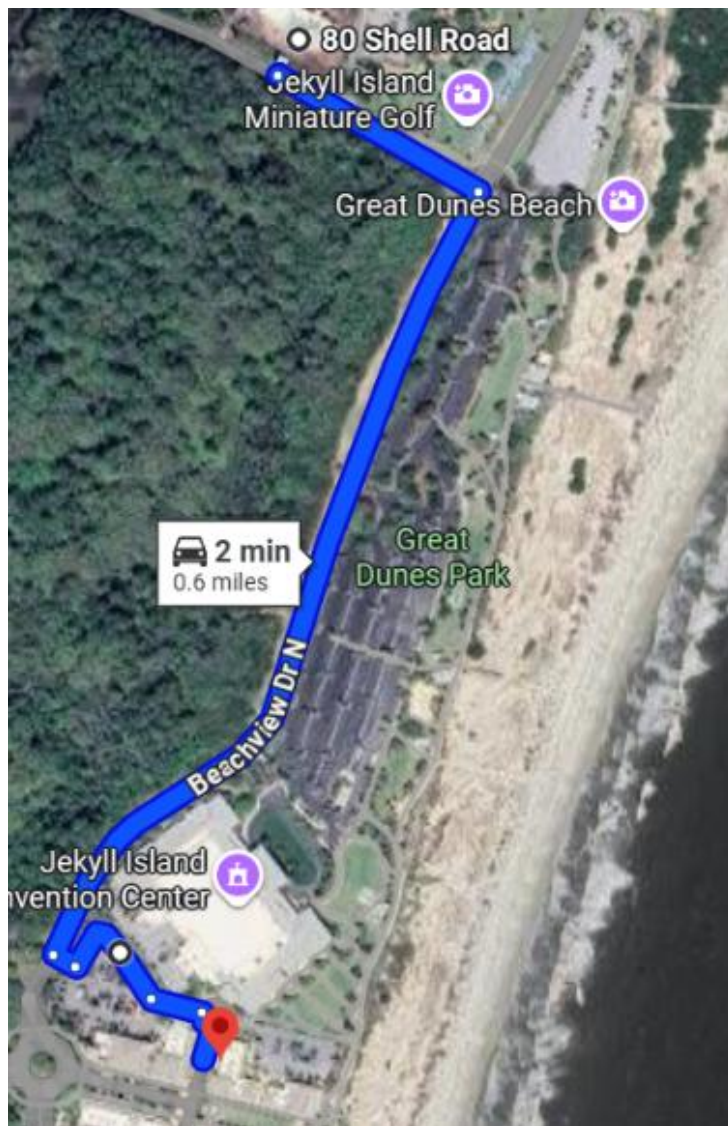

Coordinates: 31.0484263918616, -81.412053104904

Current Equipment:

- 5 Tesla Chargers – 50 amps, 120/240V “shared”
- 4 ClipperCreek Chargers – 40 amps, 120/240V

Notes:

Each pair of Tesla chargers is linked, which adjusts the charging rate when both are in use. Each pair is supplied by a 50-amp, 120/240V breaker. A new breaker may need to be relocated as part of the redesign.

Morgan Center

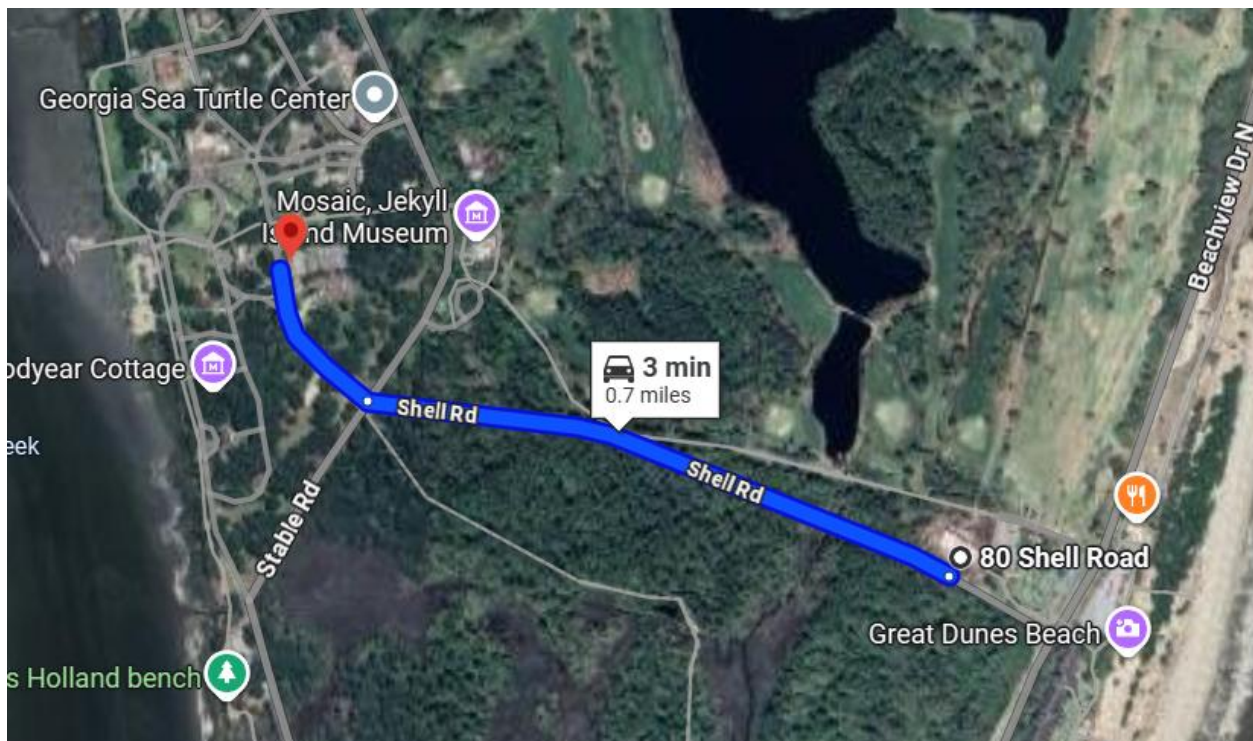

Coordinates: 31.05835468676685, -81.42016775783793

Current Equipment:

- 4 Tesla Chargers – 50 amps, 120/240V “shared”
- 2 ClipperCreek Chargers – 40 amps, 120/240V

Notes:

Consider relocating the existing 200-amp/3Ø service and installing new chargers in a different area of the parking lot.
